Dear Parent/Carer

Unfortunately, there is no heating or hot water in school this morning. We have engineers on site who have been working continuously to fix this but without success. The decision has therefore been taken to close the school.

All pupils who travel by bus will be transported home. Arrangements will be made for any pupil (who is not able to return home to remain in school).

The school will open as normal tomorrow morning

Apologies on behalf of Dumfries & Galloway Council for any inconvenience this may cause.

Yours sincerely

A. Reid
Headteacher
