Dear Parent/Carer

As you know, Stranraer Academy had to be closed to pupils today, Friday 21st August, as a result of a health and safety risk which made one part of the building unsafe. Specifically, a panel of glass on the upper balcony shattered during the night which had to be replaced and all glass panels safety checked before the school could re-open.

I am delighted to tell you that all work has been completed for the school to re-open on Monday 24th August. I would like to thank you for your support today in what were unplanned and possibly difficult circumstances.

While it was unfortunate that our young people lost a day of school, their health and safety is paramount, particularly during these challenging times.

We look forward to seeing everyone on Monday.

Yours sincerely

Alicia Reid
Head Teacher
