Dear Parent/Carer

You will remember that I recently wrote to you to inform you of our intention to consult with you regarding proposed changes to the structure of the school week, going from a forty period week to a thirty three period week with effect from August 2020. This would mean a change to our start time and finish time.

The proposed model will see the school day begin at 8.55am Monday - Friday, end at 4.00pm Monday - Thursday and end at 12.40pm on a Friday.

We ran three Consultation Events at which I outlined the rationale for change. I attach for you the PowerPoint Presentation which I gave at those, in case you were not able to make any of them.

We are now seeking your views more formally on the proposed change to the structure of the school week and would ask you to complete the following very short online questionnaire on survey monkey by following the link below.

Your cooperation with this is greatly appreciated.

Yours sincerely

Alicia Reid
