Dear Parent/Carer,

Our young people have done fantastically well in the last two weeks on their return to school and we are very much looking forward to a full return on 12th April. At the moment, however, this is still provisional as we await the Deputy First Minister's announcement on 6th April, following this, updated information about the return will go out on our school app and website.

Please note that, should the return to school of all young people commence on April 12th, face coverings will still need to be worn for the duration of time in school, although the 2 metre social distance rule will be relaxed, in accordance with the Scottish Government guidelines.

Young people should come to school in full uniform – including their blazer – unless they have PE, in which case they must wear PE kit.

The school is closed for the Spring Break from Monday 29th March – Friday 9th April inclusive. I would like to take this opportunity to wish you a happy Easter and to thank you too for your continued support in what has been a difficult few months.

Best wishes

Alicia Reid

On behalf of all the staff at Stranraer Academy
