

STRANRAER ACADEMY

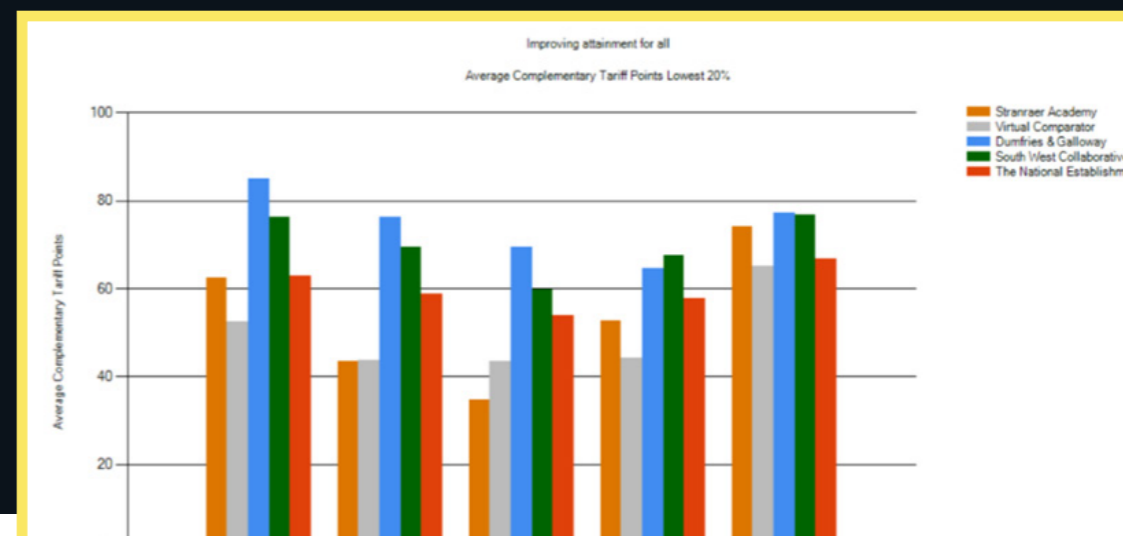

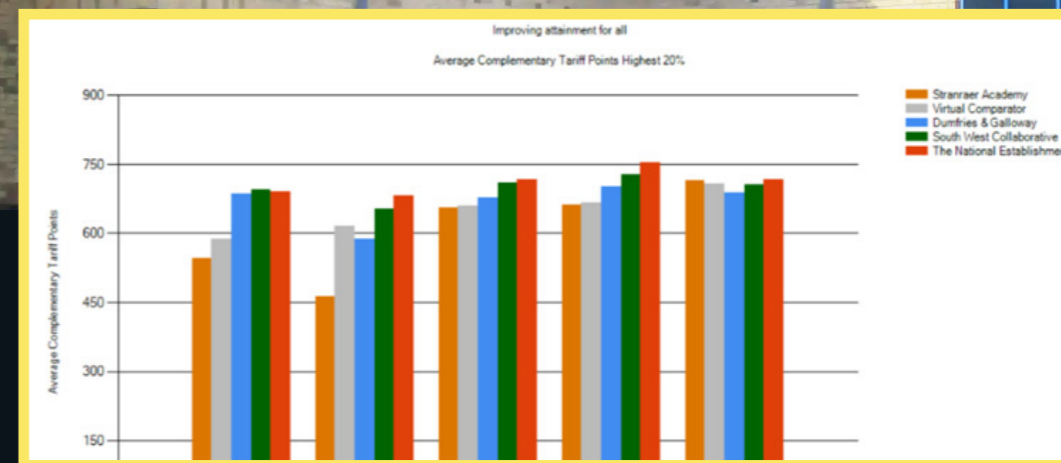

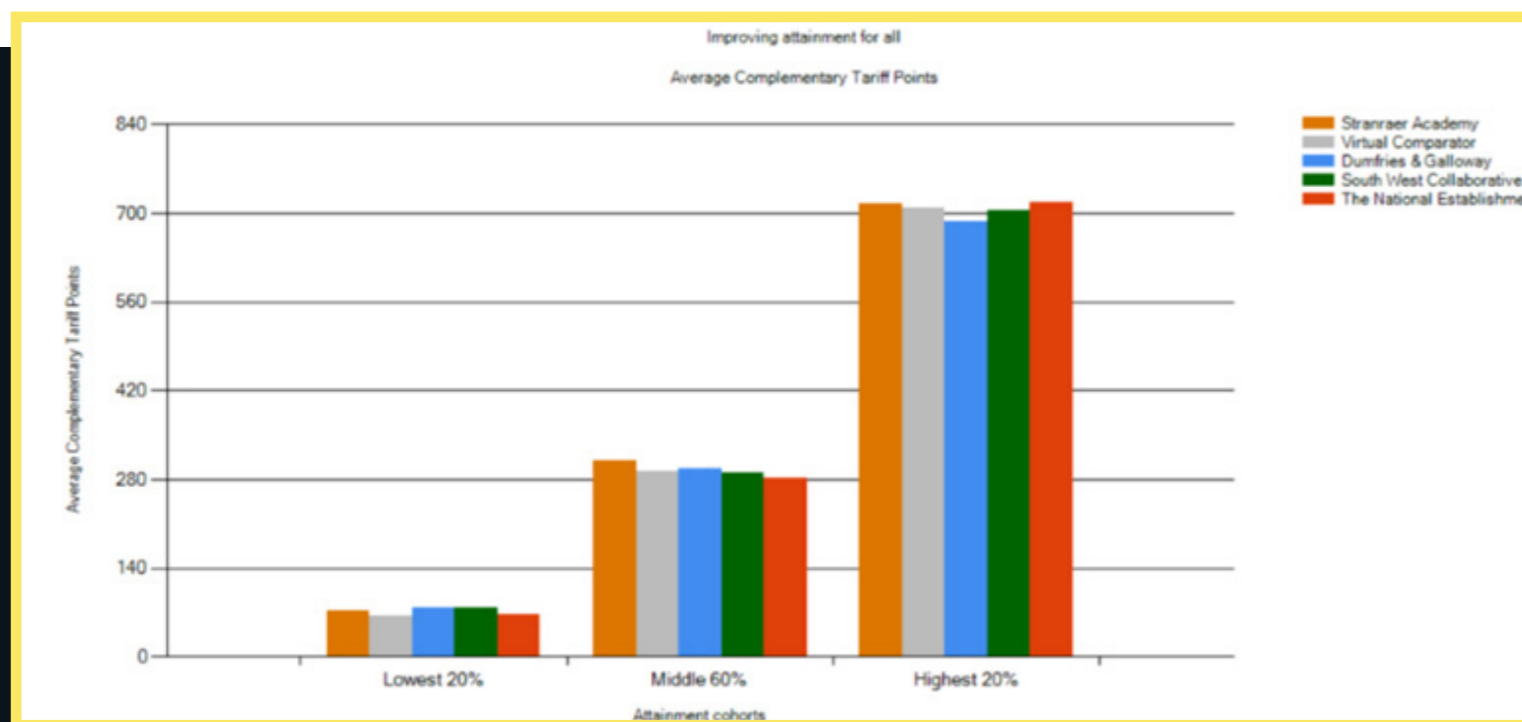

Attainment Update

February Update

Attainment data from Scottish schools is updated in February by The Scottish Government. This update takes account of SQA Appeals and latest Destination data

Stranraer Academy's performance is compared to a Virtual Comparator - a statistical benchmark comparing similar pupils in other Scottish schools - local and national averages

S4/5 ATTAINMENT HIGHEST 20%

The attainment data is further broken down into three categories. The following chart illustrates the success of our highest attaining 20% of learners

Our most successful learners achieved their highest overall attainment, exceeding all virtual, local and national comparators for the first time. Academic excellence is thriving at Stranraer Academy

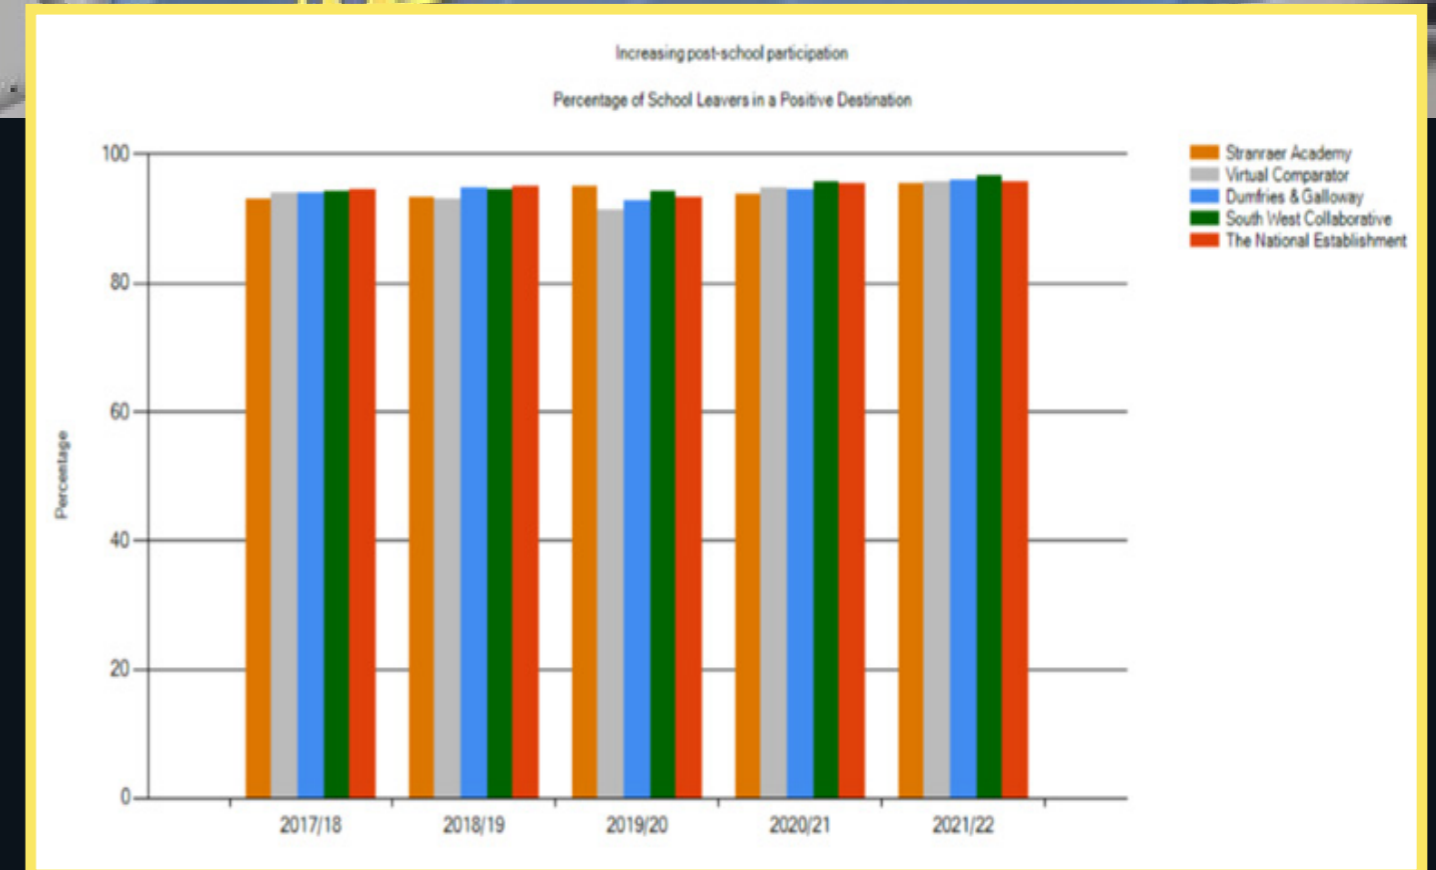

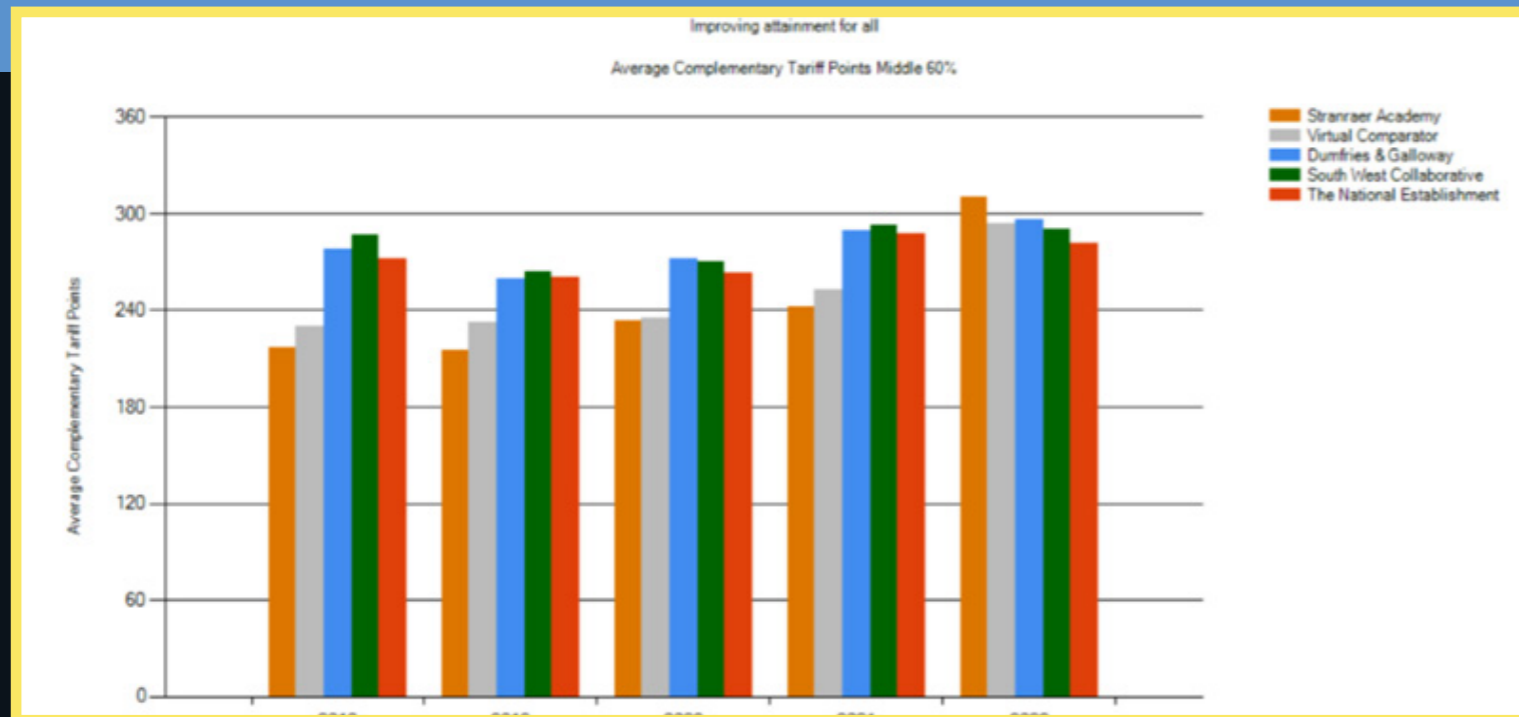

S4/5 ATTAINMENT LOWEST 20%

This chart reflects the attainment of our pupils for whom academic results are a smaller part of their overall success. Stranraer Academy offers an extensive alternative curriculum, working with many local partners. We want all our pupils to obtain essential qualifications and to do as well as they are able and this attainment supports this ambition

This group have achieved their best performance on record, exceeding virtual and national comparators, demonstrating that all Stranraer Academy pupils can and do, succeed

STRANRAER ACADEMY

Attainment Update

S4/5 ATTAINMENT MIDDLE 60%

We are proud of our pupils' attainment in this category as it represents most of our young people and the typical Stranraer Academy pupil. These young people have achieved the best attainment on record, improving by 29% from the next most successful year

This performance exceeds all virtual, local and national comparators for the first time and demonstrates that all pupils can excel at Stranraer Academy

DESTINATION DATA

This data reflects how well Stranraer Academy supports our young people into successful employment, training and education after school

In 2022, over 95% of our leavers went on to a positive destination; our highest figure in a consistently strong record and in line with virtual, local and national comparators

We are committed to supporting the young people of Stranraer to fulfil their potential and make their dreams a reality.
