New Club – Quilting/Sewing

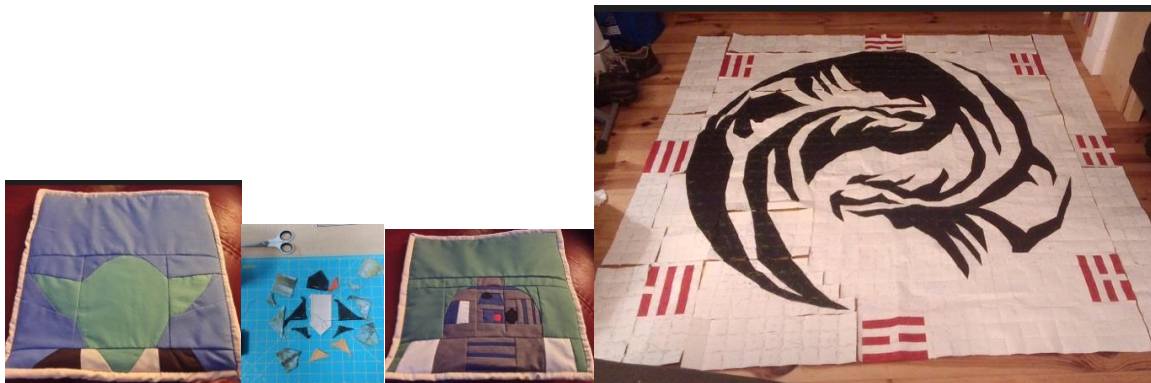

I would like to start up a new club in August. I am entirely self taught in quilting (have books and youtube), but do enjoy it, so no experience necessary – just a wish to do some crafting.

Starting with some hand quilting / applique and maybe working up to machine. We could make things just for ourselves, or maybe try for a big item to auction off. Here are some pictures of things I have made.

If you are interested could you come to a quick meeting this Friday lunchtime (23rd) at 13:30 in Science 9 so I can gauge interest to see if it is worth setting it up.
