Sports Leadership Team

S1-6

We are looking for motivated, enthusiastic pupils who are keen and involved in sports either within the school or the community, to form a sport leadership team. In this team we will meet once a month (sometimes during break and lunch) to discuss how to inspire students to take part in sport.

In this team the main areas of discussion will be:

- Sports activities
- Clubs during lunchtime and after school
- What you enjoy and don't enjoy in PE
- Organise charity events

We are hoping to get input from all across year groups to allow the whole school to be benefited with sport related activity days and organisations. This is a brilliant opportunity to change the way sports is perceived within the school. For older pupils this is a fantastic thing to put into your personal statement or cv to build on your future career in sports. Please fill out the Microsoft form below if you are interested in joining the team. Applications will be looked at and more details will follow if you have been successful.

If you have any questions please reach out to the PE base or the Sports leaders.

The deadline for applications is Monday 4th December
