

Stranraer Academy

S3 Options 2023/24

Continuing with a broad general education in S3, pupils will continue to study English and Mathematics as well as other core subjects including Health & Wellbeing, RMPS and Core P.E. As pupils in S3 approach the end of their broad general education, they will begin to specialise in a number of areas whilst trying to maintain breadth across the curriculum.

Pupils moving into S3 have 7 choices to make. Choose one option from each of the columns (C-F) shown below. **Choose 3** from the **Elective** column. **Please ensure a reserve choice is completed at the bottom of each column.** *Reserve choices may be used in the event of classes being over or under subscribed.*

Expressive Arts with a focus on (C)	Science with a focus on (D)	Social Subjects with a focus on (E)	Technologies with a focus on (F)	Elective ... choose 3
Art & Design	Biology	Business & IT*	Admin & IT	Admin & IT
