## S1-6 DIVERSITY AND EQUALITY GROUP

Miss Anderson is looking for a group of volunteers to commit some of their time at school to building an LGBT Diversity and Equality identity in the school. The aim of this group is to make positive changes with the support of school staff to build better understanding of how people in the LGBT umbrella can feel more safe, respected and heard in school. Students from all year groups who are willing to be involved with ensuring Stranraer Academy is an inclusive place for all young people should attend a short meeting in Miss Andersons Art Room (Art 2) on Friday 27th September to find out more information and sign up for this opportunity. This is a great opportunity for BGE students to have their voices heard, and a leadership experience for senior students who may be looking to a future at University.
