AWARDS CEREMONIES 2025

Nominations are invited for the three awards listed below. Deadline for nominations is the end of school on Thursday 17th April. The awards will be presented at the awards ceremonies in May/June. Please read the information for each award and make nominations where you feel your peers or teachers (Rotary Award) deserve recognition.

Douglas Cochrane Citizenship Award 2025

The 'Douglas Cochrane Citizenship Award' is intended to recognise an outstanding citizenship contribution. It should be interpreted in the widest sense as helping, supporting or caring for others or making some outstanding contribution to the school, but it will definitely NOT be an academic award. Ideally it will identify pupils who have demonstrated citizenship in supporting fellow pupils. The award can be made to a student from any year.

Euan and Kerri Burns Memorial Award 2024

This award will be given to a young person who has shown 'Achievement in the Face of Adversity'. Do you know a pupil who has had to face tough times in their life whether through physical or emotional challenges, difficult times in their family circumstances or perhaps personal illness? If so, then please consider nominating them for this award. You can nominate any pupil in the school.

Rotary Exemplary Service Staff Award 2024

The Exemplary Service Award is intended to recognise a staff member's 'voluntary and exemplary service to others'. This is consistent with the Rotary's motto: "Service Above Self".

Many staff give their time, on a voluntary basis, to provide experiences and opportunities to groups of pupils.

Can you think of a member of staff whose commitment and enthusiasm has inspired pupils? Have these pupils met new challenges, achieved goals, developed as a person, gained a sense of achievement as a result? If so, please consider nominating this staff member for the award
