School Library

A reminder about behaviour in the library - the library is a quiet area and students should be able to study/read without disruption. There is a 'water only' rule - there should be no food/drinks/chewing gum being consumed in the library. Let's keep the library a welcoming, safe space that everyone can use. Thank you, Mrs Castle & Mrs Garrett

Reminder: There is a one way in and one way out system when entering the school canteen. Please do not use the canteen via the doors next to the grab and go as it creates too much congestion.
