School Library

A reminder about behaviour in the library - the library is a quiet area and students should be able to study/read without disruption. There is a 'water only' rule - there should be no food/drinks/chewing gum being consumed in the library. Let's keep the library a welcoming, safe space that everyone can use. Thank you, Mrs Castle & Mrs Garrett

Reminder: There is a one way in and one way out system when entering the school canteen. Please do not use the canteen via the doors next to the grab and go as it creates too much congestion.

Hercules the Bear – A True Scottish Legend!

Inspired by the incredible real-life story of a 10-foot grizzly raised in Scotland, this show brings Hercules' extraordinary adventures to the stage. Hercules dines at the family table, takes a dip in the swimming pool, and even stars in the wrestling tour! But when he disappears into the sea during filming in the Hebrides, panic spreads – the army is called, locals are warned, and fears grow of a starving grizzly on the loose...

Can Hercules show the world he's more than just his wild side?

A jaw-dropping, heart-warming story that's almost too unbelievable to be true – yet it happened right here in Scotland.

For audiences ages 6+ and their adults.
