

STRANRAER ACADEMY EASTER SCHOOL

- If you are an S4-6 pupil struggling to grasp your coursework, needing more support trying past papers or just wanting a quiet place to study, come along to Easter School where you can work alongside your classmates with direct access to a subject specialist for any support required.
- Our Easter School programme is designed to encourage students to excel in their subjects and fully understand what will be asked of them in their exam.
- Any classes during Easter School will be taken in the subject teacher's classroom, just like normal.
- As boring as it may seem to go to school during the holidays, it can be extremely beneficial to get one on one time with teachers allowing yourself to fully grasp your coursework. Also, despite being in school no uniform is needed, come in whatever you feel comfortable in.
- Easter School runs every year during the first week of the Easter holidays, from Monday 30th March to Thursday 2nd April.
